Last Changed – 10/01/2025

As a club that provides services and classes to young persons and/or adults at risk, we take our safeguarding procedures *very* seriously. Whilst this document is NOT our safeguarding policy, it does aim to introduce you to our safeguarding mechanisms and acts as our safeguarding statement.

We would ask that you please take a moment to read our safeguarding policy, which is available via our website accessed through the QR code on your membership cards or freely upon request.

1. OUR SAFEGUARDING PROCEDURES

As a club, Kenbu Dojo take our safeguarding procedures very seriously. Whilst this document aims to briefly bring you up to speed on our safeguarding procedures, it is not a substitute for our safeguarding policy and other related articles, which are available freely upon request.

We have a full safeguarding policy in place and all instructors and volunteers over the age of 18 are DBS Checked to an enhanced level, with Chantal Sunter being appointed as our safeguarding lead.

All Instructors and volunteers hold a relevant safeguarding qualification that helps them identify the need for proper safeguarding protocols and deal with any concerns efficiently and effectively.

We would ask that any persons interested in finding out more take the time to read through our safeguarding policy and associated guidelines in full, and raise any questions you may have with our person responsible for safeguarding in point 2.
